

**Mr.Sci** SCIENCE FACTORY  
Science gifts & toys for children & adults

## **BRAND INTRODUCTION**

---

Mr Sci Science Factory was founded by a group of people who think Science is Fun. We provide wide varieties of amazing products combining science, function, and pleasure. Interesting things arouse your curiosity and desire to explore. We want to make your life full of joy and good taste.

We have our own design team, bricks and mortar, and online shops. Our designers devote their talents to making science more fascinating by combining science principles and stylish design. They consistently creating new products and packages to widen our collection. Mr Sci Science Factory is always searching for the design which can bring happiness and science into life.

Mr Sci Science Factory achieved an outstanding result in 2014. Our self-designed product- Folding Book won the globally renowned iF Design Award, Discipline Communication, and Good Design Award (G-Mark). The recognition demonstrates that we are delivering on design quality. We hope our design will intrigue more people's interest in science.
